EXPERTISE

- Change Management - a change of your own making, a change that is happening to you and how to navigate it
- Organizational Culture Repair - we were on a good trajectory, the train went off the rails, we are no longer behaving as we were, and now we need to know how to get back on track

TESTIMONIALS & FEATURES

"Rita is scientific, empathetic, intellectual and fun. She easily "ignites your extraordinary" through engaging dialogue as a speaker while creating a safe space for all." -Alice Alt, TBain & Co.

"Rita lead a vision casting and goal planning workshop for a business group I lead. Her impactful and well-executed delivery received excellent feedback from many group members." -Jaime Wright, Louisville Rising Tide Society
